SIR,

Subject:- Management of Sri Lakshminarasimha Charities, Bangalore.

With reference to correspondence ending with your letter No.1374/Muz.336-32 dated 16th April 1934, I have the honor to forward herewith for information a copy of order No.C3-3814 of 33-34 dated 14th June 1934 passed by the Deputy Commissioner, Bangalore District, re: the above.

I have the honor to be,
Sir,
Your most obedient servant,

N. Madhava Rau

Muzrai Commissioner.

Office of the Deputy Commissioner,
Bangalore District.
Dated, Bangalore 14th June 1934.

Order No.C3-3814/33-34 Dated the 14th June 1934.

Mr. Venkatasami Naidu, one of the Trustees of S.L.N. Charities having made serious allegations of mismanagement of the Charities, a detailed enquiry was held by the Sub Division Officer, Bangalore in the matter during the year 1930-31 and the latter has submitted a report in the matter.

The late Janopakari Doddanna Setty founded the Charities popularly known as Janopakari Doddanna Setty Charities with a view to impart free Industrial Education to boys of all communities in general and to the boys of Jothinagara community in particular. As a further incentive to the Jothinagara Community boys who were backward in education, a free boarding Home was also started as an adjunct to the Educational Institution.

The management of these Institutions was with the Donor himself until June 1920 and thereafter a Trust was created by a registered Deed executed by the Donor on 23-6-1920

By this Deed, he divested himself of the ownership of the property and entrusted it for public benefit to a Board of six Trustees including himself on certain conditions specified in para 2 of the said Deed. Subsequent to the creation of this Trust, he transferred by will the under-mentioned properties for the benefit of this Trust and nominated the same set of Trustees as his Executors.

(a) Rs.4000/- due by Mr. K.V. Ramanuja Iyengar.

(b) Deposit of Rs.2600/- in Savings Bank Account

(c) One shop situated in Commercial Street, Civil and Military Station

(d) One Flower Garden within the limits of Civil and Military Station (near Bangalore East Railway Station) and

(e) Rs.2000/- due by Mr.Munisamy Setty who is one of the Trustees.

On the death of the donor in 1921, one of the Trustees Mr. Srinivasalu Naidu who had been intimately associated with the Donor during his life time in the management of the Trust

and

and who was in consequence considered as the most important member of the Trust stepped into his shoes as he had full knowledge of the details relating to the Institutions. His dominating position seems to have given occasion to serious misunderstandings between himself and the other Trustees as he began to act in an arbitrary way. The place of the Trustee and the President which fell vacant by the death of the Donor was not filled up for 2½ years due on the one hand to reluctance on the part of Mr. Srinivasalu Naidu to have any one superior in authority to himself in the Institution and on the other due to serious misunderstanding among the Trustees themselves. During this period there were only four Trustees left in charge of the Institution. Of these Mr. Venkatapathiappa was taking no interest in the Charities while Mr. Munisamy Setty was taking no direct part in the management. Thus there were only two trustees left viz., Mr. Srinivasalu Naidu and Mr. Timmaraya Setty who began to work against each other for supremacy in the Institution. The affairs of the Institution began to go from bad to worse and complaints began to be made to Government.

At the instance of Government, the affairs of the Institution were enquired into by the Director of Industries and Commerce. In 1924, Rajakaryapravina Mr. P.G. D'Souza was appointed by Government as President and later on, an Advisory Board consisting of the Trustees and a few other members from the public was also constituted. . Although there has been some improvement in the working of the Institution since then there has been clash between the Trust Board and the Advisory Board and the Advisory Board has not been able to enforce its resolutions. A large sum of money and certain accounts and documents are found to be due from one of the Trustees Mr.T. Timmaraya Setty. A suit has been filed in the Court of the District Judge for the recovery of the same. Another trustee Mr. Srinivasalu Naidu is also found to have drawn money without vouchers and assumed control over the School without proper authority. Mr. Timmaraya Setty is living in a portion of

-34

of the Hostel Buildings with his family without paying any rent to the Institution. He has also located in the premises of the Charities the Jothinagara Sangha Office and has been endeavouring to create rights adverse to the interest of the Institutions.

It is seen from the enquiries of the Sub Division Officer that Mr. Timmaraya Setty owes a sum of Rs.10867-7-3 to the Trust. Mr. Srinivasalu Naidu also owes some money. Mr Timmaraya Setty and Mr. Srinivasalu Naidu have drawn amounts without authority or vouchers. The insurance amount from the New York Life Insurance Company which stood in the name of the Donor and which he had bequeathed to the Trust was drawn by Mr. Srinivasalu Naidu and there seems to be no receipts or references about this in the Accounts. Owing to these actions on the part of these two trustees, the financial condition of the Trust became worst and the Trust had no money to meet even the ordinary monthly charges of the Institution.

The financial condition of the Institution is seen to be improving year after year since the present Board came into existence, but it is even now not quite satisfactory. It is clear that both the trustees have drawn money unauthorisedly without vouchers, have made payment without vouchers and are keeping back from the trust moneys due by them. The only audit that the Board had a chance of considering related to the condition of the accounts up to June 1924. There has been no regular audit since though it is stated that some subordinate officials of the President had been deputed on two occasions for auditing the accounts but the result of this audit was a closed Book so far as the Board as a whole was concerned. The audit was of no practical value.

There has been no harmony among the members of the Trust Board on the one hand or between the Trust Board and the Advisory Board on the other, thus resulting in a deadlock in the management of the Institutions depending on the Charities.

There has thus been serious mismanagement of the Institution and the continuance of the existing state of affairs would

would jeopardize the existence and the growth of the Institution. The Sub Division Officer, Bangalore is of opinion that it is very necessary to take the Institution under the management of Government.

In the foregoing circumstances, I hereby direct with the approval of Government that the future management of the Charities be conducted in accordance with the scheme appended to this order.

Sd/-K.V. Anantaraman,
Deputy Commissioner,
Bangalore District.
